**Legal Responsibilities of a Board member**
Appelman spoke about the responsibilities of serving on a board, specifically, that board members have:

- Duty of loyalty: One cannot make decisions on behalf of the Board that don’t further the interests of the organization.
- Fiduciary interest: One must be informed and make responsible decisions.

Appelman explained the USENIX non-profit organization status. He stated that daily operations are managed by the Executive Director and staff, while decisions regarding finances and organizational direction are made by the Board. In order to pass a motion, the majority of a quorum of voting members must pass it. A quorum consists of five Board members.

*Dan Klein joined the meeting at 4:08 p.m.*
*Executive Session was held from 4:06 p.m. – 4:42 p.m.*
Committees and Liaisons
Jones explained that the purpose of liaisons to Program Chairs is to act as a go between with them and USENIX staff if needed, and to provide guidance. The purpose of committees is to make decisions and provide guidance on specific board functions. New liaison’s and committees were determined (see Appendix 1).

Future Meetings
Young explained that there are usually three in-person meetings per year, usually in the Spring, Summer, and late Fall. The next meetings will be:

Thursday afternoon, August 3, and Friday morning, August 4, at the Security Symposium in Vancouver.

Tuesday, December 5, 2006; in Washington D.C. at LISA.

Future of Annual Technical Conference
Young requested direction from the board regarding the 2007 Annual Technical Conference, and said a CFP is being put together for the refereed paper track, and also a program committee is being formed. She said that two of the three tracks need to be decided on in the near future, and asked the board to consider ideas between now and August so that we can discuss it in more detail then.

Agenda for Open Board Meeting
Jones asked that the Board solicit comments from members regarding emerging topics.

Cole moved and was seconded by Provos to adjourn the meeting.
Passed: 8 in favor

The meeting was adjourned at 5:30 p.m.

Other Votes Taken by USENIX Board of Directors via email from June 2 through July 28, 2006

On June 22, 2006 it was moved by Couch, seconded by Seltzer, that USENIX contribute $10,000 this year to help fund a position to drive the CRA’s Task Force on the Imagine of IT. Passed: 8 in favor. And there was a sense of the Board that we intend to do continue this level of support for the next two years assuming satisfactory program progress and no financial exigencies.

On July 3, 2006 it was moved by Provos, seconded by Couch, that we support AsiaBSDCon in the $2000-$5000 range. Passed: 8 in favor.
