Silly Stuff

Setting Expectations

User Count

- * LOTR - 100 users max, 80 avg.

- * LWW - 150 max.

- * Caspian - 350 - 400

Dataset

- * LoTR, there was network storage but it was scarcely used
- * LWW - 1Tbyte dataset during production.
 - * Caspian - Inherited 8Tbyte – >12Tbyte at the end.
