

## *Corrigendum*

There was an error in Table 2 of Christopher J. Calabrese's article "A Tool for Building Firewall-Router Configurations," *Computing Systems* 9:3, p. 248. The "bits" column of the table should have read:

0-bits

1-bit

2-bits

...

8-bits

...

16-bits

...

24-bits

...

32-bits
