Submission Format Sample for the 2010 Electronic Voting Technology Workshop/Workshop on Trustworthy Elections

Abstract

Please include an abstract for your submission. Please keep it it under 200 words.

1 Paper formatting

You do not need to use this template to format your submission; however, your submission should be formatted such that:

- It is formatted as one column.

- It is formatted for US letter paper with one-inch margins (6.5" x 9").

- It uses 10 point Times Roman font (or similar) with 12 point leading.

2 Page Limits

Paper submissions should be about 10 to a maximum of 16 pages. Papers that are over the limit risk being rejected without further review.

3 Camera-ready Copy

Separate instructions will be provided later for producing camera-ready copy.
