2007 Linux Storage & Filesystem Workshop

February 12–13, 2007, San Jose, CA, USA
www.usenix.org/lsf07

The Linux Storage and Filesystem Workshop is a small, tightly focused, by-invitation workshop. It is intended to bring together developers and researchers interested in implementing improvements in the Linux filesystem and storage subsystems. The workshop will be co-located with the 5th USENIX Conference on File and Storage Technologies (FAST '07), which will take place February 13–16, 2007.

Please contact Ellie Young, USENIX Executive Director, for more information: ellie@usenix.org or (510) 528-8649 ext. 18.
